

Panchromatic (Black & White), Multispectral, Natural Color and Color Infrared Imagery

| | | Product Priority | | | | |
|---------------------|--|-------------------------|-------------------------|-------------------------|-------------------------|-------------------------|
| | | ImageLibrary | Rush ImageLibrary | Standard Tasking | Priority Tasking | Rush Tasking |
| Product Type | Basic (Pan or Multispectral Only) | \$4,896/scene | \$7,616/scene | \$5,984/scene | \$8,704/scene | \$11,424/scene |
| | Basic Stereo Pair (Pan or Multi Only) | \$9,792/pair | \$15,232/pair | N/A | \$26,340/pair | N/A |
| | Standard | \$18.00/km ² | \$28.00/km ² | \$22.00/km ² | \$32.00/km ² | \$42.00/km ² |
| | Ortho Ready Standard | \$18.00/km ² | \$28.00/km ² | \$22.00/km ² | \$32.00/km ² | \$42.00/km ² |
| | 1:50,000 Orthorectified | \$30.00/km ² | N/A | \$30.00/km ² | \$40.00/km ² | N/A |
| | 1:12,000 Orthorectified* | \$32.00/km ² | N/A | \$32.00/km ² | \$42.00/km ² | N/A |
| | 1:5,000 / 1:4,800* Orthorectified | \$34.00/km ² | N/A | \$34.00/km ² | \$44.00/km ² | N/A |
| | Custom Orthorectied | \$34.00/km ² | N/A | \$34.00/km ² | \$44.00/km ² | N/A |

* 1:12,000 and 1:4,800 Orthorectified are available in US and Canada.

Pan-sharpened (4 band) and Bundle (Panchromatic + Multispectral) Imagery

| | | Product Priority | | | | |
|---------------------|--|-------------------------|-------------------------|-------------------------|-------------------------|-------------------------|
| | | ImageLibrary | Rush ImageLibrary | Standard Tasking | Priority Tasking | Rush Tasking |
| Product Type | Basic (Bundle Only) | \$6,528/scene | \$9,248/scene | \$7,616/scene | \$10,336/scene | \$13,056/scene |
| | Basic Stereo Pair (Bundle Only) | \$13,056/pair | \$18,496/pair | N/A | \$29,604/pair | N/A |
| | Standard | \$24.00/km ² | \$34.00/km ² | \$28.00/km ² | \$38.00/km ² | \$48.00/km ² |
| | Ortho Ready Standard | \$24.00/km ² | \$34.00/km ² | \$28.00/km ² | \$38.00/km ² | \$48.00/km ² |
| | 1:50,000 Orthorectified | \$36.00/km ² | N/A | \$36.00/km ² | \$46.00/km ² | N/A |
| | 1:12,000 Orthorectified* | \$38.00/km ² | N/A | \$38.00/km ² | \$48.00/km ² | N/A |
| | 1:5,000 / 1:4,800* Orthorectified | \$40.00/km ² | N/A | \$40.00/km ² | \$50.00/km ² | N/A |
| | Custom Orthorectied | \$40.00/km ² | N/A | \$40.00/km ² | \$50.00/km ² | N/A |

* 1:12,000 and 1:4,800 Orthorectified are available in US and Canada.

Licensing

| | |
|--------------------------|---|
| Commercial License | Included |
| Civil Government License | Included |
| Educational License | \$4/km ² discount off Basic and Standard Imagery |
| Global License | + 35% of Imagery order total |

Pricing:

- Product Price is calculated by selecting the product type and product options, and multiplying that price by the area (in scenes or square kilometers).
- The Total Price is calculated by adding the Product Price and the License Uplift.

Notes:

- Minimum order for Basic Imagery (both ImageLibrary and Tasking) is 1 scene (272km²).
- Minimum order size for Standard Imagery is 25km² for ImageLibrary, 64km² for Standard and Priority Tasking, and 100km² for Rush Tasking orders.
- Rush Tasking orders receive a 50% discount when cloud cover percentage is not met.
- Minimum order size for Orthorectified Imagery is 100km².
- Cloud cover specification for all tasking orders is 20%, except for those are offered cloud free.
- Orthorectified Imagery may be available cloud free for an additional 20% uplift on the Product Price (depending on weather, collection timelines, and spacecraft competition), contact HitachiSoft Customer Service to confirm cloud free availability for your order.
- Basic Stereo Pair prices for tasking will be discounted 50% if cloud cover spec is not met.
- Basic Stereo Pair not available as Standard Tasking or Rush Tasking.
- Orthorectified Imagery Products (except Custom) may have an additional support data cost.
- All orthorectified Imagery Products are subject to the availability of DEMs and/or GCPs.
- Custom Ortho requires customer supplied DEMs and GCPs.
- Off-nadir options are 0° - 15° or 0° - 25°, with no price uplift.
- The Commercial license offers multiple users within up to ten organizations within a single country access to QuickBird Imagery.
- The Civil Government license offers multiple users within up to 25 Federal, State, and Local government organizations in a single country access to QuickBird Imagery.
- The Educational license offers multiple users within a single educational institution access to QuickBird Imagery. Not available on Orthorectified Imagery.
- The Global license offers multiple users within a single organization in multiple countries access to QuickBird Imagery.
- An organization is defined as:
 - One corporation (but not subsidiaries).
 - One county government (all departments).
 - One federal agency (below cabinet level in the U.S.).
 - One state or provincial government agency.
 - One city government (all departments).
 - One university system.
 - One school district.

ImageLibrary:

- By default, all new image acquisitions are placed in the DigitalGlobe ImageLibrary.
- Images that are acquired and do not pass quality assurance standards for cloud cover are not delivered to customers.

Note: Prices are in effect for orders placed with HitachiSoft on or after February 1, 2005. Pricing for orders already placed are not affected.
